

# 50 WAYS TO USE RENU 28™

ASEA discovered a revolutionary technology that replicates the body's own redox signaling molecules, which protect, rejuvenate, and keep cells functioning at optimal levels. That means with RENU 28 Skin Revitalizing Gel, you can apply active redox signaling molecules directly onto your skin and improve your skin at the cellular level, revitalizing your skin's health—not just its appearance. The list below highlights 50 of the many ways RENU 28 can benefit your skin.
